REMARKS				

- 25X1 1. On 27 and 28 May 1953, the Lossa troop training area was occupied. Firing with tanks
25X1 and AT guns was held. About 240 troops were seen in a field exercise. Motor vehicles
25X1 [redacted] were seen in the training area. [redacted]
- 25X1 2. At 3:30 p.m. on 28 May, a shipment of 30 trucks [redacted] 1 crane truck,
25X1 45 pontoons and 4 boxcars passed through the Naumburg railroad station, proceeding
25X1 toward Weissenfels. [redacted]

- 25X1 2. [redacted] Comment. The train observed may have been a shipment of an engineer unit of the
25X1 Eighth Ods Army to the Dessau-Aken training area. However, as the engineer units of
25X1 the army and the two rifle corps are fairly definitely believed to have already been
25X1 in the Dessau-Aken area, the unit may as well belong to an engineer battalion. [redacted]
